Hey hoo yeah  
Ooh, ooh, yeah, whoa, whoa, yeah, yeah  
Yeah

Here I stand with open arms  
I'm offerin' my love to you  
I wanna do for you  
All the things that you want me to

There's so much more  
That I could do for you, yeah  
But you just won't let me give you my love, boy  
What is wrong with you?

Don't you know when love calls, yeah  
You'd better answer  
(You'd better answer)  
'Cause it might be a big mistake  
If you decide to hesitate

Oh, when love calls, yeah  
You'd better answer  
(You'd better answer)  
Don't let it slip away too many times  
'Cause love may not ever come again

Oh, no  
Oh, no

I know that your heart is into playin' the field  
And that blinds you  
Baby, you can't see  
The forest for the trees, no no

The candle in my heart  
Burns slowly every day  
Don't you mess around too long  
And let it melt away

And I'm tellin' you when love calls, yeah  
You'd better answer  
(You'd better answer)

Don't let it slip away too many times  
'Cause love may not ever come again

True love is so hard to come by  
It's precious and it's rare, yeah  
But I've got a lot of it to give  
Don't miss out, don't you dare

Just this time  
Come on and see it through, oh  
I'm willing and waiting  
But it's all up to you, oh

When love calls, yeah  
You'd better answer  
(You'd better answer)  
Don't let it slip away too many times  
'Cause love may not ever come again

You'd better listen, yeah  
(You'd better listen when love calls, baby)  
(You'd better listen when love calls your name)

I'm callin' your name  
(You'd better listen when love calls, baby)  
(You'd better listen when love calls your name)

You'd better listen when love calls, baby  
You'd better listen when love calls your name
