CAN YOUR GRANDPA ROCK AND ROLL LIKE THIS

(Music by Elio Pace - Words by Elio Pace & Matt Daniel-Baker)

Copyright Control

I had a big plan
To play in hot bands
I got to wear the suit

And fifty years on
The fire burns strong
And still cute, to boot

Picking on a 6-string
I'm doing my thing
Have you heard the news

Ollie Vee, Johnny B
It gets easier for me
And this ole country boy's got something to say...

Can your Grandpa rock and roll like this
The best he can do with a Fender is reminisce
A little bit of boogie as distant as a school-yard kiss
Can your Grandpa rock and roll like this

I found the 'Hotel'
And rang the front bell
The power set me loose

Iâ'm still a big fan
Feel like a young man
With dynamite in my shoes

Drag me from my rocking chair
'Cause I'll be rocking there
Ringing out the news

Ollie Vee, Jerry Lee
It gets easier for me
And this ole country boy's got something to say...
