Teach me  
Yo-yo boy, oh oh  
Yo-yo boy

(Chorus)  
He's a-my yo-yo boy  
He fill-a my heart with joy  
When he playing with his toy  
I really love my yo-yo boy

I see him walking the dog  
And then him make a leapfrog  
He's the talk of the town  
The way he's spinning it around

Johnny round the corner can loopy-de-loop (aah)  
Tommy down the street can shoot at the moon  
But there's just one thing that they can't do (aah)  
That's love me, love me like you do

(Repeat Chorus)

He rock the baby with ease  
Can do a flying trapeze  
But there's tricks you'll never see

The ones he saves some night for me

Yo-yo boy, oh oh  
Yo-yo boy  
Yo-yo boy, oh oh  
Yo-yo boy

Louis is the king of the angel wings (aah)  
And his brother Jake can monkey-climb the string  
Oh, they can do everything except one thing (aah)  
That's love me, love me, love me like you do

Yo yo yo yo yo

(Repeat Chorus)

Yo-yo boy, oh oh  
(She really loves her yo-yo boy)  
Yo-yo boy  
Yo-yo boy, I really love my yo-yo boy  
Yo-yo boy  
Yo-yo boy, oh oh  
(She really loves her yo-yo boy)  
Yo-yo boy  
Yo-yo boy, oh oh
