My man mistreated me, and he drove me from his door  
Lord he mistreated me, and he drove me from his door  
But the Good Book says you've got to reap just what  
you sow

I got the world in a jug, got the supper? right here in my  
hand  
I got the world in a jug, got the supper? right here in my  
hand  
And if you want me sweet papa you gotta come under  
my command

Say I ain't never loved but three men in my life  
Lord I ain't never loved but three men in my life  
't was my father and my brother and a man that  
wretched my life

Lord it may be a week and it may be a month or two  
I said it may be a week and it may be a month or two  
All the dirt you're doin' to me sho' comin' home to you

Lord I walked the floor, hang my head and cried  
Lord I walked the floor, hang my head and cried  
Had the down hearted blues, and I couldn't be  
satisfied.
