Good woman, respect yourself
Be proud of yourself, never sell yourself
Yuh black an beautiful with your ivory smile
Don't give away yourself until di land is fertile

Before a bwoy get it have him walk thousand miles
Or put di application right pon top a di pile
Yuh precious and pretty, yuh no need to run wild
Yuh always in control cah ya no satan child

Nuff a dem luv, always let go the caat
Dem cunk cool well use more than a restaurant pot
Nuff a dem uglier than a little rat bat
But still a trick di dawgs dem with a litle bad trap
Good girl, don't be like dem
Your cunk cool well tight, not loose like dem
Man ??? observe an not crucified like dem
Your cunk is not a murderer, no stick like dem

Good girl, my good girl
Good girl, my good girl
Good girl, my good girl
Good girl, my good girl

Well

Nuh make him rather run away like a rabbit
Mna get so bright an pick up monster habit
Good woman, beware a dutty seed
Cah dutty man seed make dutty gyal breed
Good woman, just keep your heart clean
Just owant get purified inna Jah washing machine
Gyal come out an shine, don't stand up behind di scene
Yuh shaped like a guitar or a primaballerine, oh

Good girl, my good girl

Good girl, my good girl
Good girl, my good girl
Good girl, my good girl

Be a good woman, good good woman
Be a good woman, good good woman

I cna imagine how beautiful is Africa
I can see how amazing is Jamaica
Good woman, I see right through your heart

Good woman, your life will be not short
If yuh come from uptown a yuh come from di Ghetto
If a caviar you a eat, a cheddar an ??
Yuh still have to be nice, yuh still have to shine
Yuh still have to spice up mi mind
