[Lloyd banks talking]

Yea! haha

Im here nigga

BANKS! (A A A A Alchemist)

G G G G G-UNIT!!!

[Chorus - Loyd Banks]

Now, don't try to stand next to me(right)

Cause im the nigga that came here to see(right)

Aint nufin' round here for free(right)

And im here to let these mothafuckas know

That I'll do anythin for the dough(right)

A felony walkin out the front door(right)

Aint a mothafucka i gotta change for(right)

Therefore imma be this way until i go.

[Loyd Banks]

Guess who walk around with dimond chains and rings
on him

A pair of throw-back Jordans wit the wings on 'em

With all this talking, I'm guessin' they got them things
on 'em

Cause if not, milli's and .40 cal's will rain on them

I know your kind get in a bind and leave the city quick

Niggas bleed just like us, im on that Biggie shit

First of all, im suppose to ball, im suppose to have
coast to coast to call

Even your niggas know your CD's garbage, yea, they
shottin but they missin Sprayin up the wall like graffiti
artists

Some niggas go and buy the bootlegs, but go and cop
the real shit

Because the fans love us, nicer than grandmothas

I wake up, get dressed, put on my Tan Buttas

I been this way since Pumas and Superman covers

A ice-pick will do your liver harm

And have you screamin in the back of the club louder
than Lil' Jon.

[Chorus - Loyd Banks]

Now, don't try to stand next to me(right)

Cause im the nigga that came here to see(right)
Aint nufin' round here for free(right)
And im here to let these mothafuckas know
That i'll do anythin for the dough(right)
A felony walkin out the front door(right)
Aint a mothafucka i gotta change for(right)
Therefore imma be this way until i go.

[Loyd Banks]

Your now lookin at the hood-meal ticket seven thou' on
my wrist

It's kinda hard to keep the balance with this, it keeps
the challengers pissed, I vacate the diffrent islands
and twist and back home where the violence exists
Nines, silencers, 5th's

We buy mileage as gifts as well as mans best freind
And I don't own no Rottweillers or Pits

It's gettin extremely hard, for the man to roam wit lil
kids puttin his picture on the camera phone, shit's
changed now that the camera's on

A bitch will jepordize their marriage, to fuck you when
they man is gone

These niggas rambleing on, bout the paper that they
gettin, Stop It

I have more money than you in my lil pocket.

And im stingey, so it stretch long, with G-unit sweats on
Thread, needle to teflon, desert-eagle and vest on
Cause everybody ain't amused, that your names
surrounded by good news

FUCK YA'LL!!!

[Chorus - Loyd Banks]

Now, don't try to stand next to me(right)
Cause im the nigga that came here to see(right)
Aint nufin' round here for free(right)
And im here to let these mothafuckas know
That i'll do anythin for the dough(right)
A felony walkin out the front door(right)
Aint a mothafucka i gotta change for(right)
Therefore imma be this way until i go.
