Dragging along in another wasted day
Is sorry all you have to say

Not so innocent now
Oh so sinful
I want to fly
Through your sad eyes
Pleasure-filled pain
But I can't feel a thing
Tragedy in the waiting
But I'm still falling

Another note in another song
Another tick on an ugly clock
One more sin to push me down
One more drug to keep you around

Not so innocent now
Oh so sinful
I want to fly
Through your sad eyes
Pleasure-filled pain
But I can't feel a thing
Tragedy in the waiting

But I'm still falling

You like the way I shatter
At your every angry word
You like the way I fall
You like the screams you heard

Not so innocent now
Oh so sinful
I want to fly
Through your sad eyes
Pleasure-filled pain
But I can't feel a thing
Tragedy in the waiting
But I'm still falling

Falling inside you

Flying to get out
I don't want to be here
Anymore

"What are you doing?"
How did I get here
"Where are you going?"
I just want to go home.
