if you don't expect too much from me, then i won't let
you down - sometimes it's hard to breathe 'cuz i'm too
busy actin' like a clown - people don't seem to like me,
they think i'm rude, they say i'm crude - can't even be
my best friend, 'cuz i hate myself, and i hate you too --
'cuz i'm the king - original loser, i'm not a wannabe -
born to lose, mouth of a sailor, there's not much more
to me - i'm a failure -- 'cuz when i make love, my hand
falls asleep - i said my own body don't wanna be next
to me - 'cuz charlie manson and the son of sam - i say
they're my two main idols, now, i wanna be - just like
them
