So you wanna take me out tonight
Have a meal, avoid a fight
Talk about the other night
When love was out of sight?
So you wanna make it up to me
Show me what a man you can be?
But I'm sorry, not tonight cos the girls
are going out
You see, the girls are going out

(Chorus)

It's just a girls night out
We'll have fun and scream and shout
It's time for us to have a night
Without a man or a boy in sight
It's just a girls' night out
We can dance and sing out loud
Not a man or a boy in sight
A girls' night out, oh, what a night

My daddy rang again today
He's tryin' hard, he's been away
So he turned up after all these years
I did not show him any tears
He wants to take me out tonight
And start again, I think he's right
I'm sorry daddy, not tonight
The girls are going out
You see, the girls are going out

(Chorus)

It's just a girls' night out
Na, n-n-nah, na, n-n-nah
It's just a girls' night out
Na, n-n-nah, na, n-n-nah
It's just a girls' night out
Na, n-n-nah, na, n-n-nah
It's just a girls' night out
Na, n-n-nah, na, n-n-nah

Ah, we are ready to come back together?

(Yeah)
Black girlfriend, white girlfriend
Will our friendship last forever?
Brown girlfriend, yellow girlfriend
And we'll always have a reunion (yeah)
Cool girlfriend, male girlfriend
When we're married and cooking an onion (yeah)
Your girlfriend is my girlfriend

(Repeat chorus twice)

It's just a girls' night out
Na, n-n-nah, na, n-n-nah
It's just a girls' night out
Na, n-n-nah, na, n-n-nah
It's just a girls' night out
Na, n-n-nah, na, n-n-nah
It's just a girls' night out
We'll have fun and scream and shout, yeah
