[Chorus: DJ Kane]

Let's keep it on the cool  
It's between, me and you  
It's the freaky things we do  
Cause baby I like it, I like it  
Let's keep it on the cool  
If they all letting you  
The little thangs you do  
Cause baby I like it, I like it

[Baby Beesh]

It wasn't no love at first sight, it was sex on the first  
night  
How could it be so wrong when it felt so strong, it felt  
so right  
I like the way you back it up, cause your chulo ain't no  
punk  
Get it crunk, get it crunk from the back to the front, any  
way you want  
Smoking, laughing, telling jokes, smashing riding on  
blades and spokes  
Saying we just friends, but you and I know, what's  
really though  
You take me on your odyssey, keep the drama off of  
me  
You love to get on top of me, while I get you wet and  
watery  
We sizzo and uh, we doing our thug thizzo', what your  
friends don't know  
We'll keep it low, when talk at the club a little  
When you drop em off at home, hit Beeshy on the celly  
And I'll be at the telly, honey be all ready

[Chorus]

[Baby Beesh]

Well now they think they know the deal, but they don't  
have a clue  
The things we do me and you, got to keep it tight on

the cool  
Down low on the hush, take our time don't need to rush  
You in my mind like cannabis, with a freaky way you  
make me bust  
Freaky deaky everytime you see me, you best believe  
me, I'ma lick  
You down with berries and cream, you lick me with that  
wine and kiwi  
You know it's nathin', to keep that gossip off of baking  
That's why we shaking, them hatas spreading  
information  
If only I knew then what I know now, things could of  
been a little different  
Could I have this dance, I got a girl at home already on  
suspicion  
But I want my cake and eat it too, wanna be with her I  
wanna be with you  
You telling me that you need it too, and let me tell you  
what we fin to do

[Chorus]

[DJ Kane]

Oooh wee, I love it when you freaky like that  
Oooh wee, on the cool coming through from the back  
Oooh wee, I love to watch you dance on my lap  
Oooh wee, uh oooh wee

[Drew]

Oooh wee, you love to see your daddy roll up  
Oooh wee, going hard and the pain rolled up  
Oooh wee, that people in your business saw us  
Oooh wee, oooh wee

[Chorus]
