Makeshift Patriot  
The Flag Shop Is Out Of Stock  
Hang Myself...Half Mast

Makeshift Patriot  
The Flag Shop is Out of Stock  
I hang myself...via live telecast.

Coming live from my own funeral...the beautiful  
weather offered a nice shine,  
Which is suitable for a full view of a forever altered  
skyline.  
It's times like these I freestyle biased opinions every  
other sentence.  
My journalistic ethics slip when I pass them off as  
objective.  
"Don't gimme that ethical @#%\$."  
I've got exclusive, explicit images to present to  
impressionable American kids,  
And it's time to show this world how big our edifice is!

That's exactly what they attacked when a typically dark  
skinned Disney villain  
Used civilians against civilians and charged the trojan  
horses into our buildings.  
Using commercial aviation as instruments of  
destruction,  
Pregnant women couldn't protect their children.  
Wheelchairs were stairway obstructions.  
Now I have to back pedal...from the shower of glass and  
metal,  
Wondering how after it settles we'll find who provided  
power to radical rebels.  
The Melting Pot seems to be calling the kettle black  
when it boils over,  
But only on our own soil so the little boy holds a toy  
soldier...  
And waits for the suit and tie to come home. We won't  
wait 'til he's older,  
Before we destroy hopes for a colder war to end. "Now  
get a close up of his head..."

Hang Myself...Half Mast

Makeshift Patriot  
The Flag Shop is Out of Stock  
I hang myself while the stock markets crash

The city is covered in inches of muck  
I see some other pictures of victims are up  
Grieving mothers are thinking their children are stuck  
Leaping lovers are making decisions to jump  
While holding hands...to escape the brutal heat.  
Sometimes in groups of the three.  
The fall out goes far beyond the toxic cloud where  
people look like debris.  
But all they saw after all was said...beyond the talking  
heads  
Was bloody dust with legs looking like the walking  
dead calling for meds.  
Hospitals are overwhelmed. volunteers need to go the  
hell home.  
Moments of silence for fire fighters were interrupted by  
cell phones.  
Who's going to make that call to increase an unknown  
death toll?  
It's the one we rally behind. He's got a  
megaphone...and he's promising to make heads roll,  
So we cheer him on, but asbestos is affecting our  
breath control.  
The less we know...the more they fabricate...the easier  
it is to sell souls  
An addictive 24 hour candle light vigil in TVs.  
Freedom WILL be defended...at the cost of civil  
liberties.  
Viewers are glued to television screens. Stuck...'cause  
lots of things seem too sick.  
I use opportunities to pluck heart strings for theme  
music.

I'll show you which culture to pump your fist at and what  
foot is right to kiss.  
We don't know who the culprit is yet...but he looks like  
this.  
We know who the heroes are. Not the xenophobes who  
act hard,  
"We taught that dog to squat. How dare he do that  
@#%\$ in our own back yard!"

They happened to scar our financial state and char our

landscape.

Can you count how many times so far I ran back this  
same damn tape?

While a camera man creates news and shoves it down  
our throats on the West Bank,  
With a 10 second clip put on constant loop to provoke  
US angst.

So get your tanks and load your guns and hold your  
sons in a family huddle,  
Because even if we win this tug of war and even the  
score...humanity struggles.

There's a desperate need of blood for what's been  
uncovered under the rubble,  
Some of them dug for answers in the mess...but the  
rest were looking for trouble.
