What if I listened to this lonely heart you used to break?  
What if I didn't love you long before it was too late?  
I wouldn't be thinkin' of your smile  
I wouldn't be cryin' for a while  
What if I?... What if I?

What have I done?  
Why did you leave me?  
Why did you knock me off my feet just to deceive me?

What about love?  
Or was it love really?  
Or was it just part of all the lies that you once told me?

Blamed it on love  
Blamed it on lies  
Blamed it on you  
Blamed it on I...

What if I listened to this lonely heart you used to break?  
What if I didn't love you long before it was too late?  
I wouldn't be thinkin' of your smile  
I wouldn't be cryin' for a while  
What if I?... What if I?

How can I stop myself from cryin'?  
Why do I waste my time believin' it's worth tryin'?

Blame it on love  
Blame it on lies  
Blame it on you  
Blame it on I...

What if I listened to this lonely heart you used to break?  
What if I didn't love you long before it was too late?  
I wouldn't be thinkin' of your smile  
I wouldn't be cryin' for a while  
What if I?... What if I?

What if I didn't let this love just end?  
What if I didn't fail to comprehend?

Still we'd have love  
We wouldn't lie  
I'd be with you  
You'd be with I...

But what if I listened to this lonely heart you used to  
break?  
What if I didn't love you long before it was too late?  
I wouldn't be thinkin' of your smile  
I wouldn't be cryin' for a while  
What if I?... What if I?

What if I... ?
