Verse:

Doesn't matter what I believe  
Doesn't matter what I believe  
You mess me up and I want you to hear  
Got it right back and I want you to hear  
When you walk, when you talk  
you're so full of lies  
excuse me  
When I'm gonna die  
I don't care what you're like  
Doesn't feel like you

Chorus:

I'm addicted to you  
I'm addicted to you  
I'm addicted to you  
Cos you get me through x 2

Verse:

The first injection wasn't free  
Doesn't matter what I believe  
Doesn't matter what I believe  
There ain't no station  
It ain't no fiction what I believe  
It ain't no fiction what I believe  
Staring at New York City  
Missing those the ones I hate  
Compensate  
Alienation  
The new centre of my renewed faith is too late

Chorus

I want you to hear  
You mess me up and I want you to hear  
Doesn't matter what I believe  
Doesn't matter what I believe

I'm addicted to you x3
