Tell them to stop tell them to knee
And I'll do that too
And then what?
Stop breathing?
Swallow my own tongue?
Swallow my tongue... and I'll do that too
And in the perfect stillness
I suddenly became aware of a different kind of silence
coming from
Elsewhere
Kiss out my life
Welcome to the state of the beast
To eat and to be eaten
Kiss out my life
It feels so bad, so much worse than pain
And it opens in me
It feels so bad
All for your lovin
It feels so bad
Like a golden foretaste of heaven
It feels worse
So much worse than pain
And it opens in me
It feels so bad
Hold my mind and squeeze it hard
It's such a pressure that I can't resist
And then what
You kill me again
And send me right back to the dry lands
You can't go now
It ain't over yet
Oh let me go
Oh please let me go
Kiss out my life
Welcome to the state of the beast
To eat and to be eaten
Kiss out my life
Welcome to the state of the beast
To eat and to be eaten
It feels so bad, so much worse than pain
And it opens in me
It feels so bad

All for your lovin
It feels bad
It feels so bad
Like a golden foretaste of heaven
