Father And Son

It's not time to make a change,  
Just relax, take it easy.  
You're still young, that's your fault,  
There's so much you have to learn.  
Find a girl, settle down,  
If you want you can marry.  
Look at me, I am old, but I'm happy.

I was once like you are now, and I know that it's not  
easy,  
To be calm when you've found something going on.  
But take your time, think a lot,  
Think of everything you've got.  
For you will still be here tomorrow, but your dreams  
may not.

How can I try to explain, when I do he turns away again.  
It's always been the same, same old story.  
From the moment I could talk I was ordered to listen.  
Now there's a way and I know that I have to go away.  
I know I have to go.

It's not time to make a change,  
Just relax take it easy.  
You're still young, that's your fault,  
There's so much you have to learn.  
Find a girl, settle down,  
If you want you can marry.  
Look at me, I am old, but I'm happy.

All the times that I cried, keeping all the things I knew  
inside,  
It's hard, but it's harder to ignore it.  
If they were right, I'd agree, but it's them they know not  
me.  
Now there's a way and I know that I have to go away.  
I know I have to go.
