We're walking in the air  
We're floating in a moonlit sky  
The people far below  
Are sleeping as we fly  
I'm holding very tight  
I'm riding in the midnight blue  
I'm finding I can fly so high above with you....  
Riding in the midnight blue

All across the world  
The villages go by like dreams  
The rivers and the hills  
The forests and the streams

Children gaze  
Open mouthed  
Taken by surprise  
Nobody  
Down below  
Believes  
Their eyes

We're surfing in the air  
We're swimming in a frozen sky  
We're drifting over ice  
and mountains floating by

Suddenly swooping low on an ocean deep  
Rousing up a mighty monster from his sleep

We're walking in the air  
We're dancing in the midnight sky  
And everyone who sees us  
Greets us as we fly  
We're walking in the air  
We're walking in the air
