got a patch, i got a pin
obtained political beliefs from the same songs as my
friends
i got a five-fingered discount
to the little record store it's easier to get the stuff i want
out

and if you want fair compensation for the work that you
do, then well greedy, get out
we have amazing names to call you
ever think theres a difference who you're stealing
from?
so fine im not punk and you are... (a moron)

we're gonna tear this stupid city down
throw our trash, our trash on the ground
liberate that bottle of malt liquor
oh, i get it, anarchy means that you litter

we're gonna tear this stupid city down
throw our trash, our trash on the ground
liberate that bottle of malt liquor
oh, i get it, anarchy means that you litter

so if you're flying the flag then you are naming the
names
well then you're setting back the ones that know how to
behave
its a good thing that this replenishes itself because
who would be left to take advantage of your health

we're gonna tear this stupid city down
throw our trash, our trash on the ground
liberate that bottle of malt liquor
oh, i get it, anarchy means that you litter

we're gonna tear this stupid city down
throw our trash, our trash on the ground
liberate that bottle of malt liquor
oh, i get it, anarchy means that you litter

we're gonna drop drop, we're gonna drop, we're

gonna drop our trash on you
yeah, we're gonna drop drop, we're gonna drop,
we're gonna drop our trash on you

we're gonna tear this stupid city down
throw our trash, our trash on the ground
liberate that bottle of malt liquor
oh, i get it, anarchy means that you litter

we're gonna tear this stupid city down
and we'll whine, whine whine when no bands come to
town,
liberate that bottle of malt liquor
oh, i get it, anarchy means that you litter
nice!
