alright, ralph...happy birthday...you freak...  
you're breakin' hearts and you're breakin' guitars  
today's your birthday and you don't even know how old  
you are  
you're in love with every woman from tyler  
you went swimming in the ocean with my goddamn  
dialer  
you used to be fat, i think then i liked you best  
'cause now you're skinny, i'm chubby, and you make  
fun of my breasts  
and i'm sorry, but this may sound weird  
but you gotta do something 'bout the food in your  
beard

[Chorus:]

happy birthday, ralph  
i love you  
even though you are fu?kin' disgusting  
happy birthday, ralph  
i love you  
even though you are fu?kin' disgusting

[Bridge:]

you can't wear your bike hat because of your hair  
wherever you go, u break everything everywhere  
this year, sixth gear, now get on your way  
(Shut off the stereo chorus, and the digital delay.)

some people, they think, they think you're rhastafarian  
and they ask you for pot  
i think i like it, i know i like it  
i like it a lot because, because it pisses you off  
so for your birthday  
i got you some hawaiian punch on tap  
age p.o.t.  
so now you can stop borrowing my stuff  
and trying your new kung fu moves out on me

[Chorus]

[Bridge]

happy birthday, ralph, i love you

even though you have a beard (are fuckin')  
happy birthday, ralph, i love you  
even though you are perverted and weird

[Chorus]

happy birthday, ralph, i love you
