If You Own the Washington Redskins You're a Cock
Lyrics

I like sports
There are some things I force myself to miss
like I never met an athlete I like and hockey in Texas
when it comes to native American nickname teams
Even within the context of sports it's awful and mean

and you'll go wah wah wah you're so PC
and i will say hey wait
my my my how have the table turns to be a fucking
prick is a desirable trait

While we're on the subject of changing team names
there's no jazz in Utah
and few lakes in LA
just this once give me the benefit of the doubt
the bullets became the wizards to pilots get out
and you'll go wa wa wa you're so PC
and i will say hey wait
remind me again how it came to be
that being a stupid american is a desirable trait
wouldn't it be offensive if we cheered
"rah rah rah" we're the Carolina negroes with a beat
box cheer and a big foam afro
the Minnesota Vikings became the New York kikes with
dollar bills on their helmets
cause thats what they're like ya know

Atom, What about the Saints, Angels and the Padres
too ain't that the same thing for Christians thats
offending you?
When there's a Jesus Christ mascot shooting crucifixes
they nailed to a cross dying to save the team
you'll be right, you'll be right
but until then
you're... not... right
so
what's your take on Washington redskins
what's your take on the Cleveland Indians

what's your take on Washington redskins
what's your take on the Cleveland Indians
