it was my birthday
everything was going my way
so i took my girl for a real nice dinner (dinner)

we went to the facist restaraunt
told her she could have whatever she wants
i thought the night would prove me a winner (winner)

there was something she was not telling me
something she was trying to hide.
maybe it was the way i dressed
maybe it was another guy.

ew ew ew ew
uh uh
ew ew ew ew oh
yeah bathroom of love

im going home yeah
shes in the bathroom
oh oh
shes in the bathroom
ohhh ohh

the waiter came over he took our order
she said she had powder her nose
so i sat their waiting patently as our apitite slowly grows
old

glass after glass of water i drank
waiting for her to return
little did i know that night it was
the last time i would ever see her

shes in the bathroom
ohh ohh
shes in the bathroom
ohhh ohhhh
shes in the bathroom
and im waiting at the table (bored out of my mind)
shes in the bathroom

and im waiting at the table

ew baby come out of the bathroom
i cant love you while you're in the stall
i cant go in there the stick figure has a dress on baby
oh please come back and shake me all night long

she was a fast machine
she kept her motor clean
she was the best damn women that i've ever seen

shes walking side to side
tellin' me no lies
and she knockin' me out with those american thighs

take a look over there
had me fighting for air
takin' more than her share
told me to come but i was already there

and now the earth was shakin
my mind was achein'
and the place was going crazy
nobody knows what im sayin

you shook me all night long
yeah hook me all night long

she was double time
in seduction line
one of a kind was
just mine all mine

no need for applause
just anoher coarse
made a meal out of me
and come back for more

had to trun me down
and take a look around
and now im back in the ring
to take another swing

and now the earth was shakin
my mind was achein'
and the place was going crazy
like ive never seen before

and you shook me all night long
you shook me all night long
you shook me all night long

yeah yeah yeah you shook me
you shook me
you shook me
you shook me all night long in the bathroom
