I am a patient boy  
I wait, I wait, I wait  
My time is like water down a drain  
Everybody's moving, everything is moving  
Please don't leave me to remain

In the waiting room

I don't want the news  
I'm not a part of it  
I don't want the news  
I have no use for it  
Sitting outside of town  
Everybody's always down  
Because...  
They can't get up  
But I don't sit by idly  
I'm planning a big surprise  
I'm gonna fight for what I want to be  
I won't make the same mistakes  
Because I know how much time that wastes  
Function is the key

In the waiting room
