One more day, one last look
Before I leave it all behind
And play the role that's meant for us
That said we'd say goodbye
Cuentame, otra vez si no es el mismo sol de ayer el
que se esconde hoy
Para ti, para mi, para nadie mas se ha inventado el mar

If I promise to believe will you believe
That there's nowhere that we'd rather be
Nowhere describes where we are
I've no choice, I love you
Leave, love you wave goodbye

And all I ever wanted was to stay
And nothing in this world's gonna change, change

Never wanna wake up from this night
Never wanna leave this moment
Waiting for you only, only you
Never gonna forget every single thing you do
When loving you is my finest hour
Leaving you, the hardest day of my life
The hardest day of my life

Dejame que te de cada segundo envuelto en un
atardecer de vida
Para ti, para mi, para nadie mas se ha inventado el mar

But I never will regret a single day
Pero ninguno sabia muy bien que hacer
What I'm feeling for you (aquella noche, noche)
I will always love you
Leave, love you wave goodbye

(Ire, ire, ire)
And all, and all I ever wanted was to stay (este maldito
atardecer)
Nothing in this world's gonna change...

Never wanna wake up from this night
Never wanna leave this moment

Waiting for you only, only you
Never gonna forget every single thing you do
When loving you is my finest hour
I never knew I'd ever feel this way
I feel for you...

Never wanna wake up, from this night
Never wanna leave this moment
Waiting for you only, only you
Never gonna forget every single thing you do
When loving you is my finest hour
Leaving you, the hardest day of my life...
Never wanna wake up from this night..
