Starve a fever  
Feed a cold  
Can?t forget the ills  
That I?ve been sold

Can?t forget the blues  
Those awful ways  
Slap me once, slap me twice  
And send me on my ways

Starve a fever  
Cool a chill  
Oh, God  
I feel so ill

Been there once  
Comin' too soon  
Jump back step back  
And spit at the moon

'Bout 1 or 2  
Took us for a trip  
No passport needed  
Just your nice fat lips

'Bout 1 or 2  
Took us for a spin  
Time to get back in line  
And do it all again

Starve a fever  
Feed a Cold  
Can?t forget the ills  
That I?ve been sold

Can?t forget the blues  
Those awful ways  
Slap me once and twice  
Send me on my way

Send me on my way  
Send me on my way

Got to send me  
Got to send me  
Got to send me on my ways

Got to send me  
Got to send me  
Got to send me on my ways
