The dead  
Will rise  
From the grave  
The dead  
Will rise  
From the grave

When dealing with  
The undead  
Aim for the head

This is the part  
Where we all run  
We lift our hands above us  
We reach for the son.  
God why?  
Why here?  
Among the damned,  
Have we been left?

Everyone head for the sewers  
Not now! not here!  
Help us, save them!

Everyone head for the sewers  
Everyone head for the sewers  
Everyone duck and run to the manholes  
Hide your sons

Why here?  
Why now?

Raise an army,  
Wrap your rosary's,  
Climb the ladder,  
And cock your guns.  
15 shots lefts  
And we're all screaming  
Aim for the head  
We'll kill these demons

And I'll follow you... through hell

Everyone is dead
