Sweat drips in my eyes  
Screams of lust we cry  
Tonight you are everything

I'll lose myself in anguish for tonight  
Help me get over you  
One last false apology  
Help me get over you

Now we must let go  
Urgency overwhelms me as I must restrain my flood of  
tears  
I refuse to be slave to your false beauty again

I'll lose myself in anguish for tonight  
Help me get over you  
One last false apology  
Help me get over you

In my mind  
Blood drip from your eyes  
A beautiful
