Last night I forgot  
How the sound of your voice  
Whispered sweet, goodbyes  
Your eyes, left to die

[Incomprehensible] understand why

Why not one more night  
One last kiss goodbye  
My sweet love tonight

I hope the stars  
Still spell out your name  
Where you are

Kiss my closing eyes  
Help me sleep  
Without you, I'm so lost

Tonight I cry, tell me why  
I can't live without  
Your warm embrace

Why not one more night  
One last kiss goodbye  
My sweet love tonight

I hope the stars  
Still spell out your name  
Where you are

I close my eyes and  
You are everything I see  
Goodbye

Goodbye to you my love  
I won't forget you  
I'll see you soon

Goodbye my love  
Goodbye to you my love  
I won't forget you

Bye, bye love
