Last night I forgot  
How the sound of your voice whispered sweet  
Goodbyes, your eyes left to die  
I'm alone to  
Understand why

Why not one more night  
One last kiss goodbye  
My sweet love tonight  
I hope the stars  
Still spell out your name  
Where you are...

Kiss my closing eyes  
Help me sleep  
Without you I'm so lost  
Tonight I cry  
Tell me why  
I can't live  
Without your warm embrace

Why not one more night  
One last kiss goodbye  
My sweet love tonight  
I hope the stars still  
Spell out your name  
Where you are...

I close my eyes and you  
Are everything I see  
Goodbye

Goodbye to you my love  
I won't forget you  
I'll see you soon  
Goodbye my love  
Goodbye to you my love  
I won't forget you  
Let me live
