Baby cant you see
im callin, a guy like you should wear a warnin
its dangerous, im fallin

theres no escape i cant wait
i need a hit, baby give me it
your dangerous, im lovin it

too high cant come down
losing my head spinnin round and round
do you feel me now?

with a taste of your lips im on a ride
your toxic im slippin under
with a taste of poison paradise
im addicted to you dont you know that you're toxic
and i love what you do dont you know that you're toxic?

its gettin late to give you up
i took a sip from my devils cup
slowly, its taking over me

too high cant come down
its in the air and its all around
do you feel me now?

with a taste of your lips im on a ride

your toxic im slippin under
with a taste of poison paradise
im addicted to you dont you know that you're toxic
and i love what you do dont you know that you're toxic?

Dont you know that your're toxic?

with a taste of your lips im on a ride
your toxic im slippin under
with a taste of poison paradise
im addicted to you dont you know that you're toxic?

with a taste of your lips im on a ride
your toxic im slippin under

with a taste of poison paradise
im addicted to you dont you know that you're toxic?

intoxicate me now, with your lovin now
i think im ready now
i think im ready now

intoxicate me now, with your lovin now
i think im ready now
