Hey  
Let's bring it together  
Exhale your breath  
And we'll die in circles  
Well  
Let's feel the burning  
Just soul my hands  
And we'll burn alive  
We'll burn alive

Whoo

I'll run  
You'll follow  
And I'll run  
So I can be  
Everything you hate  
Just close your eyes  
So we can hear you roar  
Let's start the poster  
We'll make you a star  
Tonight

So this is the way  
It's got to be  
Let's go by the book  
And let's go  
By the pictures  
Let's go by the pictures  
We could cut you open  
Take a look inside  
You're so pretty  
When you're faced down  
On a pavement  
With no life in your eyes

I'll run  
You'll follow  
And I'll run  
So I can be  
Everything you hate  
We could thank you as while

Take you out to try  
We'll dress you up like a dog  
You'll be the winner tonight  
You'll be the winner tonight

You look like a model  
When I turn off the lights  
It just don't matter  
When it's paper white  
It turns me on  
When you play dead  
Because your cold  
Cold to the touch

I'll welcome you  
To the academy  
I'll welcome you  
To the academy  
I'll welcome you  
To the academy  
I'll welcome  
Yoooooooouuuuuuuu

I'll run  
You'll follow  
And I'll run  
So I can be  
Everything you hate  
We could thank you as while  
Take you out to try  
We'll dress you up like a dog  
You'll be the winner tonight  
You'll be the winner tonight

Welcome to the academy  
The academy  
Welcome to the academy  
The academy  
Welcome to the academy  
The academy

Tonight I'm in love  
But I'll try not  
To happen again  
When it's too dark  
When it's too  
Late

I hate to love you  
Cus' you're the one  
I'd love to hate

And I'm sure  
That I'll take you back  
It's only  
Just a matter of things

Tonight you lied  
I'll follow back  
Will not happen again  
When it's too  
Late
