ayeayeayeaye no no no oh!
All we seem to do is fight, can't seem to get it right boy.
I'm losing all control, don't want to let it go.
Wanna make this work.
What happened to the day when you make me believe
in you?
You came and set me free, released the love in me,
where did it gooo?
Can we say that tonight,
[chorus] baby baby before the sun goes down,just
wanna get this thing right.
Baby baby before the sun goes down.
Just wanna look in your eyes,baby baby, let's give it a
try, baby baby yeah yeah, baby baby.
Before the sun goes down (x4)
Just wanna look in your eyes.
Baby baby,let's give it try.baby baby(x2)
This doesn't have to be another what could have been,
can't we get it back, get it back on track?

[Before The Sun Goes Down Lyrics On]

I don't wanna let another in my heart.
Let's not pull away,let's take the chance to breathe,
remember the first day when you touched me?
Boy don't let this die!
Can we say that tonight,[chorus]
baby baby before the sun goes down,just wanna get
this thing right.
Baby baby before the sun goes down.
Just wanna look in your eyes,baby baby, let's give it a
try, baby baby yeah yeah, baby baby.
Before the sun goes down (x4)
Just wanna look in your eyes.
Baby baby,let's give it try.baby baby(x2)
Ups and downs are coming round again,just gotta take
'em up,wisen up, no need to lose the love.
If you're ever in this place agin,i'll be your
wonderwoman.
Can we say that tonight [chorus]
baby baby before the sun goes down,just wanna get

this thing right.

Baby baby before the sun goes down.

Just wanna look in your eyes,baby baby, let's give it a
try, baby baby yeah yeah, baby baby.

Before the sun goes down (x4)

Just wanna look in your eyes.

Baby baby,let's give it try.baby baby(x2)

yeah yeah yeah [music fades out]
