Alesha:

Can you really do this?
No no not not not not me,
I never saw me falling hard.
Got me like a new hit,
No no not not not not me,
You took away my guard, guard.

So I,
Put my hands up, put my, put my hands up (x3)
And now I see...

[Chorus]
You're every little part of me
You got my heart
You're every little part of me
You got my heart
You're every little part of
I wanna feel your kiss for real, wanna feel you're kiss
for real (x2)

Jay Sean:

Can you really do this?
No no not not not not me,
I never saw me falling hard.
Got me like I knew it,
No no not not not not me,
Girl you took away my guard, guard.
So I,
Put my hands up, put my, put my hands up (x3)
And now I see...

[Chorus]
You're every little part of me
You got my heart
You're every little part of me
You got my heart
You're every little part of
I wanna feel your kiss for real, wanna feel you're kiss
for real (x2)

Alesha & Jay Sean:

Hey

So I,
Put my hands up, put my, put my hands up (x3)
And now I see...

[Chorus]
You're every little part of me
You got my heart
You're every little part of me
You got my heart
You're every little part of
I wanna feel your kiss for real, wanna feel you're kiss
for real (x2)
