When I lay it all out on the table
Don't know what is stopping me
From feeling like I might be able
To enjoy my own company

Sitting up by my window
Watching the summer rain
The world is moving faster
Than I am in it today

Knockdown
Everybody in the place say what now
Ya souls feeling shot down
Lucks out
But ya gotta carry on

Speed it up now
Woo woo woo woo
Knockdown
Everybody in the place say what now

Ya souls feeling shot down
Lucks out
But ya gotta carry on
Speed it up now

Ohh, yeah, I got the feeling
That something could happen now
Ohh, I got the feeling
That something could happen
Inside my life now

And have you ever asked
Why you've been here before
'Cause only you have the power
To carry on through that door

Knockdown
Everybody in the place say what now
Ya souls feeling shot down
Lucks out
But ya gotta carry on

Speed it up now

Woo woo woo woo

Knockdown

Everybody in the place say what now

Ya souls feeling shot down

Lucks out but ya gotta carry on

Speed it up now
