I said, are you ready
Uh, yeah, hey
Come on, hey, hey
Hey, hey, hey

Let's do it
Are you ready

Whoa whoa yeah
Whoa whoa yeah

All my ladies
Let's do it
Come on

I know the girls inside
There wanna get on with the ladies
But there are always fellas there
To stir and make you crazy

They try to get you flaky
Can't find no buts no maybes
You think that girl's a traitor
But that man's the instigator

Turning up with your jewelery on
Making moves with your lipstick on
Want some of that cushy stuff
Whoa whoa ooh

Let's jump when the music's on
All my girls living up till dawn
Want a little bit sing this song
Whoa whoa ooh

Why do you think that every girl
Out theres your enemy
You're looking at her with
The green eyed filled with jealousy

It's not the way its supposed to be
So c'mon ladies dance with me

And I'll tell ya,
No, n-n-n-n-n-no, no
No, no, no, no, no, no

Turing up with your jewelery on
(Oh, yeah)
Making moves with your lipstick on
Want some of that cushy stuff
Whoa whoa ooh

Let's jump when the music's on
All my girls living up till dawn
Want a little bit sing this song
Whoa whoa ooh

Whoa

Mmm

Feel the rhythm in your body
Gotta lose control
All the ladies get together
We'll be on a roll

Feel it in your soul
If you wanna get on down
Then it's time to look around
We're all the same
Yeah

You gotta think about it
You're beating up yourself

Yeah, yeah, yeah

Turing up with your jewelery on
Making moves with your lipstick on
Want some of that cushy stuff
Whoa whoa ooh

Let's jump when the music's on
All my girls living up till dawn
Want a little bit sing this song
Whoa whoa ooh

Turing up with your jewelery on
Making moves with your lipstick on
Want some of that cushy stuff
Whoa-whoa-oooh

Let's jump when the music's on

All my girls living up till dawn
Want a little bit sing this song
Whoa-whoa-oooh

Whoa whoa, yeah
Whoa whoa, yeah

Want some of that cushy stuff
(Whoa whoa, ohh)

Whoa whoa, yeah
Whoa whoa, yeah

One of them better
Sing this song
