Oh, yeah, yeah, yeah

So you did it, do it again  
Who you kidding, ten out of ten  
Yeah, you did it, do it again  
In a minute, I'll tell you when

Little pictures in my mind  
But I got to make it on my own  
If I try to fake it, it's a crime  
'Cause I have my conscious saying take me home

But ooh baby I like it like that  
Touch me, touch me before I turn back  
Ooh baby I like it that way  
Touch me, touch me a little this way

Ooh baby I like it like that  
Touch me, touch me before I turn back  
Ooh baby I like it that way  
Touch me, touch me a little this way

Got the feeling, wanted some more  
So appealing, baby I'm yours  
Got the feeling, wanted it all  
Keep on giving, I will for sure

Little pictures in my mind  
But I got to make it on my own  
If I try to fake it, it's a crime

'Cause I have my conscious saying take me home

But ooh baby I like it like that  
Touch me, touch me before I turn back  
Ooh baby I like it that way  
Touch me, touch me a little this way

Ooh baby I like it like that  
Touch me, touch me before I turn back  
Ooh baby I like it that way  
Touch me, touch me a little this way

Oh, yeah, yeah, yeah

So you did it, do it again  
What you've given was ten out of ten  
Yeah, you did it, do it again  
I'll admit it you're more than a friend

Ooh baby I like it like that  
Touch me, touch me before I turn back  
Ooh baby I like it that way  
Touch me, touch me a little this way

Ooh baby I like it like that  
Touch me, touch me before I turn back  
Ooh baby I like it that way  
Touch me, touch me a little this way
