I got a man with two left feet
And when he dances not to the beat
I really think that he should know
That his rhythm's go go go
I got a man with two left feet
And when he dances not to the beat
I really think that he should know
That his rhythms go go go

Does he wash up, never wash up
Does he clean up, no he never cleans up
Does he brush up, he never brushed up
He does nothing, the boy does nothing
Does he wash up, never wash up
Does he clean up, no he never cleans up
Does he brush up, he never brushed up
He does nothing, the boy does nothing

Hey boy how you been
I got a thousand lines
where do I begin
And I been here been there traveling
I saw you at the corner
my vibe kicked in
And two twos I clock you
Wearing tight jeans a real nice suit
You were smiling
like you were just seventeen
I asked you for a dance you said yes please
Take a sip of dancing juice
Everybody's on to you
To the left then to the right
Everybody hit the rhythm it's on tonight
I'm gonna feel the heat within my soul
I need a man to take control
Let the melody blow you all away

Does he wash up, never wash up
Does he clean up, no he never cleans up
Does he brush up, he never brushed up
He does nothing, the boy does nothing
Does he wash up, never wash up

Does he clean up, no he never cleans up
Does he brush up, he never brushed up
He does nothing, the boy does nothing

Work it out now
Work it work it out now
Do the mambo shake
it all around now
Everybody on the floor
Let me see you clap your hands
I wanna see you work
I wanna see you move
your body and turn
I wanna see you shake
your hips and learn

I wanna see you work it work it
work it out now hey
I wanna see you work
I wanna see you move
your body and turn
I wanna see you shake
your hips and learn
I wanna see you work it work it
work it out now

Does he wash up, never wash up
Does he clean up, no he never cleans up
Does he brush up, he never brushed up
He does nothing, the boy does nothing
Does he wash up, never wash up
Does he clean up, no he never cleans up
Does he brush up, he never brushed up
He does nothing, the boy does nothing

And if the man can't dance
he gets no second chance
(do the mambo shake it all around)
And if the man can't dance
he gets no second chance
(do the mambo shake it all around)
And if the man can't dance
he gets no second chance
