I can see the danger signs
Sneakin' up from behind
Kinda like someone's tellin' me what to say

Looks like you've lost control
Somethin' goin' on in your soul
I can see you comin' from a mile away

Savin' the day, savin' the day
When you get to the point where it's drivin' you insane
Savin' the day, savin' the day, ooh

You seem a little strange
Somethin' 'bout you not the same
Nowhere to hide from the feelin' runnin' through my
veins

Here comes the frightenin' truth
No way, just ain't no use
Baby, if you got the will, I got the way

Savin' the day, savin' the day
Sneak up fast, they're slippin' the night away
Savin' the day, savin' the day
When it's gettin' to the point where it's drivin' you
insane

Savin' the day, savin' the day
When it's gettin' to the point
Where it's drivin' you insane

When it starts to pour and the whole thing's out of
control
And you can't run away if you don't know where to go
Don't know, don't know
You can't leave it to the God, you can't leave it to the
Lord
Don't go, don't go
You can hesitate but you've gotta get out before it's too
late

Savin' the day, savin' the day

Sneak up fast, they're slippin' the night away
Savin' the day, savin' the day, ooh
When it's gettin' to the point where it's drivin' you
insane

Savin' the day, you can't wait
You can't wait until tomorrow
Savin' the day, you can't wait
Savin' the day, you can't wait until tomorrow

Savin' the day, you can't wait
Savin' the day, you can't wait
Savin' the day, you can't wait until tomorrow
