Iâ€™d like to stay in love with you
All summer and after fall
Iâ€™ll keep you warm through the winter
Because Iâ€™ve noticed one thing
This ainâ€™t no summer fling

Iâ€™d like to ride my bicycle with you
On the handlebars
Youâ€™d laugh and run away
And Iâ€™d chase you through the meadow
Without you Iâ€™d die
Etâ€™s never say good-bye
Oh, Lori
You bring the spring, the summer, fall
Ooo and winter
By the season
Oh, Lori (oh, Lori)
You make me feel as though Iâ€™ve been born again
Orn again

You danced for me in your bare feet
That mellow afternoon
When we made love to each other
And Iâ€™m loving you
Thatâ€™s all I want to do
