Hey! Why are you so late? Especially on our day. That's not great. Hey! It is cold and grey. (it is cold and grey) and I think it's gonna pour and Rain. Oh yay.

And I said that I wanted to be with you. Oh woah. But now I totally regret Saying that too. Oh woah. But now this is all I wanna now do. Oh woah. But But without you.

Chorus:

I wanna have fun in the rain (x2)

Hey! Now you come so late. Also in the cold and rain. Oh yay! Hey! Come Outside with me. (come outside with me) Don't you wanna have fun with me.

Oh, me!

And I said that I didn't wanna be with you. Oh woah. But now I totally Regret saying that too. Oh woah. But now this is all I wanna now do. Oh Woah. But but with you.

(Chorus)

And now... All I wanna do. Is be with you. You're everything I want, Everything I need. And now, you're all you could be. Don't ever leave me!

(Chorus) x2
