Miss beautiful, miss fabulous
Always there for us, put your trust in us
Miss strong in mind, miss friend of mine
So considerate, one of a kind
Miss eternal love, miss never give up
You held our heads up high through trails and
tribulations
From a sister and her bro
Dear mother we want you to know
That you are...
Miss everything
Youre always in our minds
Miss everything
Mama, were doing fine
Miss everything
Its all because of you
Miss everything
Mama, we love you too
This is for you...
Miss role model, miss vulnerable
Always honest to us, you got it all
Miss sacrifice, miss day and night
Miss do this and do that just to get it right
Miss affection, miss protection, miss ambrose
We always know where our home is
From a sister and her bro
Dear mother we want you to know
That you are...
Miss everything
Youre always in our minds
Miss everything
Mama, were doing fine
Miss everything
Its all because of you
Miss everything
Mama, we love you too
This I'd for you... dear mama we just want you to know
This is for you... this is from a sister and her bro
You were there for us
When times were rough
Never showed any lack of trust

Alex and i, against all odds
You were always down for us
- always around for us
Now weve grown strong enough
See ma, well stay on top
None of them fools can fuck with us!
Miss everything
Youre always in our minds
Miss everything
Mama, were doing fine
Miss everything
Its all because of you
Miss everything
Mama, we love you too
This is for you... dear mama we just want you to know
This is for you... this is from a sister and her bro
