This girl, for real
Let me tell you she's one in a mill
Please believe it, you're under a spell
When this girl looks at you
You go: What the deal? dressed in gucci and chanel
So much game it's criminal
Mmh the perfect girl
Breathtaking the way she shakes her body, its
Amazing i can't get her off my mind
So sexy i gotta have her love, she drives me
Crazy now help me out
I dig the way she walks
I dig the way she talks
Shes so incredible
You can't let her go
I dig the way she moves
I dig the way she looks
She makes you lose control
Shes that perfect girl
You gotta love her
This girl i swear
Aint nobody compared to her
Skin so pure, eyes so clear
Uuh, put it on me
Her body i'd cut like jewellery
She has a butt like: Ohh meeeaan
She really rocks the shit of me
No, i can't let her be
Uuh wee the way she shakes her bootie
Don't blame me i can't get her off my mind, shes
Everything i gotta have her love, im really
Craving now help me out
I dig the way she walks
I dig the way she talks
Shes so incredible
You can't let her go
I dig the way she moves
I dig the way she looks
She makes you lose control
Shes that perfect girl
You gotta love her

My, my mind
Shes so fly, fly, fly
Gotta make her mi-mi-mine
Tonight (gotta love her)
I dig the way she walks
I dig the way she talkes
Shes so incredible
You can't let her go
I dig the way she moves
I dig the way she looks
She makes you loose control
Shes that perfect girl
You gotta love her
...shes that perfect girl
You gotta love her...
