The time has come, the time for a drink, but I don't
want whiskey or gin.
There's only one drink that gets me so drunk, until my
head starts to spin.
Far to the west under tropical sun, this mystical drink is
brewed.
On our mission to get totally drunk, we have got
nothing to lose.

Rum is the power, Rum is the key, Rum is the thing that
will set us free

Rum, Rum, Rum, Yaarr, Rum, Rum, Ahoy.
Rum, Rum, Rum, Yaarr, Rum, Rum, Give me more Rum!
Rum, Rum, Rum, Yaarr, Rum, Rum, Ahoy.
Rum, Rum, Rum, Yaarr, Rum, Rum, Give me more Rum!

The time has come, the time for a drink, but I don't
want vodka or mead.
None of these things will quench my thirst, Rum is the
drink that I need.
Questing the oceans and questing the seas, searching
for ultimate booze.
On our mission to get totally drunk, we have got
nothing to lose.

Rum is the power, Rum is the key, Rum is the thing that
will set us free

Rum, Rum, Rum, Yaarr, Rum, Rum, Ahoy.
Rum, Rum, Rum, Yaarr, Rum, Rum, Give me more Rum!
Rum, Rum, Rum, Yaarr, Rum, Rum, Ahoy.
Rum, Rum, Rum, Yaarr, Rum, Rum

Rum, Rum, Rum, Yaarr, Rum, Rum, Ahoy.
Rum, Rum, Rum, Yaarr, Rum, Rum, Give me more Rum!
Rum, Rum, Rum, Yaarr, Rum, Rum, Ahoy.
Rum, Rum, Rum, Yaarr, Rum, Rum

Hey!
