10 o'clock ? private party
Drinking beers and sip bacardi, getting rowdy

11 o'clock ? call somebody
Get this party started, nigga, spend some money

12 o'clock ? picking girls up
Holla at me, trust us, baby, we know what's up

1 o'clock ? we hit the club
We're 20 people movin' in like: ?What!! What!!
What!!?

Are you ready? ? yes
Shake your booty! ? yes
Gonna party! ? yes
We are on top of the clubs
Comin' your way! ? yes
Feelin' naughty? ? yes
Are you with me? ? yes
We are on the top of the clubs

2 o'clock ? going crazy
Party's blazin', so amazin', keep on dancin'

3 o'clock ? we're movin' on
Next club, shake it ?till the break o' dawn

4 o'clock ? you think it's over
(naah) singin' louder, with my fella's, hands on
shoulders

5 o'clock ? we hit the 3rd club
We're 3 people movin' in like: ?La!! La!! La!!...?

Are you ready? ? yes
Shake your booty! ? yes
Gonna party! ? yes
We are on top of the clubs
Comin' your way! ? yes
Feelin' naughty? ? yes

Are you with me? ? yes
We are on the top of the clubs (x2)

From club to club all night (bounce, bounce)
I got them girls by my side (them girls ? ?Uhh?, them
girls- ?Uhh?)
My homies, my fella?s, my friends (shake, shake)
Tomorrow we?ll do it again
From club to club all night (bounce, bounce)
I got them girls by my side (and they go: ?Uhh?)
My homies, my fella?s, my friends (shake, shake)
Tomorrow we?ll do it again

... club with me...
