[Intro]

When I come back from a mighty quest  
I have no need for sleep or rest  
I head to a tavern for a drink  
And get so drunk I cannot think  
A wench by my side, a jug of mead  
These are the things that I most need  
So I sit back and sing this song  
And drink and party all night long

(Hey Hey)  
I want more wenches  
(Hey Hey)  
More wenches and mead  
(Hey Hey)  
I want more wenches  
Lots of wenches is what I need (x2)
