Let me just say I'm so happy today
I've seen a picture from back the other days
I've seen you nervous when I've seen your face
And I miss your sweet embrace

So come back to me and you'll see
We'll last eternally
Oh baby, we were so meant to be
So come back to me

Don't say it's over
I... it's over
I'll be your lover all your life

Don't say it's over
I... it's over
Never say never all your life

Oooooo oooo ooooo oooooo

So many days, many nights, many dreams
Still missing you and I hate how it feels
I still remember our very last kiss
You're the one that I always miss

So come back to me and you'll see
We'll last eternally
Oh baby, we were so meant to be
So come back to me

Don't say it's over
I... it's over
I'll be your lover all your life

Don't say it's over
I... it's over
Never say never all your life

Oooooo oooo ooooo oooooo

So come back to me and you'll see

We'll last eternally
Oh baby, we were so meant to be
So come back to me

Don't say it's over
I... it's over
I'll be your lover all your life

Don't say it's over
I... it's over
Never say never all your life

Oooooo oooo oooooo oooooo
