A lil shorty so damn fly
Feel like i wanna give her a ticket to ride, and im
Feeling the things you do
Youre making my dreams come true
The rhythm of me and you
Lets take it higher cause
Girl, you really got game
The way you're singing my name
The way you're shaking your thang
Like: cha, cha, cha... move your cho-cha
Hola, there you go, ma
Hola, put it on ya
Hola, were moving closer
We can do whatever
When were together
Mamacita, hola
Im really feeling you
Hey lil shorty lets go outside
In the moonlight, where you and i can shine all night,
and im
Feeling the things you do
Youre making my dreams come true
The rythm of me and you
Lets take it higher cause
Girl, you really got game

The way you're singing my name
The way you're shaking your thang
Like: cha, cha, cha... move your cho-cha
Hola, there you go, ma
Hola, put it on ya
Hola, were moving closer
We can do whatever
When were together
Mamacita, hola
Im really feeling you
... lets break it down, down, down
Take it round, round, round
Make it bounce, bounce, bounce
The way you want it
We can break it down, down, down
Take it round, round, round

Make it bounce, bounce, bounce
Im really feeling you...
Hola, there you go, ma
Hola, put it on ya
Hola, were moving closer
We can do whatever
When were together
Mamacita, hola
Im really feeling you
