This girl, for real  
Let me tell you she's one in a mill  
Please believe it, you're under a spell  
When this girl looks at you  
You go: What the deal? dressed in gucci and chanel  
So much game it's criminal  
Mmh the perfect girl  
Breathtaking the way she shakes her body, its  
Amazing i can't get her of my mind  
So sexy i gotta have her love, she drives me  
Crazy now help me out  
I dig the way she walks  
I dig the way she talks  
Shes so incredible  
You can't let her go  
I dig the way she moves  
I dig the way she looks  
She makes you loose control  
Shes that perfect girl  
You gotta love her  
This girl i swear  
Aint nobody compared to her  
Skin so pure, eyes so clear  
Uuh, put it on me  
Her body i'd cut like jewellery  
She has a butt like: Ohh meeeaan  
She really rocks the shit of me

No, i can't let her be  
Uuh wee the way she shakes her bootie  
Don't blame me i can't get her off my mind, shes  
Everything i gotta have her love, im really  
Craving now help me out  
I dig the way she walks  
I dig the way she talks  
Shes so incredible  
You can't let her go  
I dig the way she moves  
I dig the way she looks  
She makes you loose control  
Shes that perfect girl  
You gotta love her

My, my mind  
Shes so fly, fly, fly  
Gotta make her mi-mi-mine  
Tonight (gotta love her)  
I dig the way she walks  
I dig the way she talkes  
Shes so incredible  
You can't let her go  
I dig the way she moves  
I dig the way she looks  
She makes you loose control  
Shes that perfect girl  
You gotta love her  
...shes that perfect girl  
You gotta love her...
