Well the sky broke in two,
Found you dancing alone.
then the room filled up with you,
and that song we both know.

About a girl who lived in a shell,
and a boy washed up somewhere else.
With the ocean in between,
oooo Whatever I'm through.

You know I'm talking about you.

Tonight,
I got you where I want you.
Closer I can tell you anything,
You're the song that I sing.

Tonight,
Let the music take us over.
we'll fall into forever, all is right,
Cause I got you where I want you.

Tonight
Tonight

Through all of science and history,
I can't explain your effect on me.
well I've been walking around with my head in the
clouds,
and seashells in my jeans,
yeah well nothings is as it seems.

Tonight,
I got you where I want you.
Closer I can tell you anything,
You're the song that I sing.

Tonight,
Let the music take us over.
We'll fall into forever, all is right,
Cause I got you where I want you.

Tonight,
Tonight,
the whole world could fall away,
but You and I, no we won't be afraid.

Tonight,

I got you where I want you,
Closer I can tell you anything.

Tonight,

Let the music take us over,

We'll fall into forever, all is right Cause I got you where
I want you,
Tonight
