(feat. Carlos Santana)

Since the moment I spotted you
Like walking 'round with little wings on my shoes
My stomach's filled with the butterflies...and it's alright
Bouncin round from cloud to cloud
I got the feeling like I'm never gonna come down
If I said I didn't like it then you'd know I'd lied

Everytime I try to talk to you
I get tongue-tied
Everything I say to you
Comes out wrong and it never comes out right

So I'll say why don't you and I get together and take on
the world and be together forever
Heads we will and tails we'll try again
So I say why don't you and I hold each other and fly to
the moon and straight on to heaven
'Cause without you they're never going to let me in

When's this fever gonna break?
I think I've handled more than any man can take
I'm like a love-sick puppy chasin you around
And it's alright

Bouncin round from cloud to cloud
I got the feeling like I'm never gonna come down
If I said I didn't like it then you'd know I'd lied

Everytime I try to talk to you
I get tongue-tied
Everything I say to you
Comes out wrong and it never comes out right
So I'll say why don't you and I get together and take on
the world and be together forever
Heads we will and tails we'll try again
So I say why don't you and I hold each other and fly to
the moon and straight on to heaven
'Cause without you they're never going to let me in

And slowly I begin to realize this is never gonna end

Right about the same time you walk by
And I say 'Oh here we go again' oh

Everytime I try to talk to you
I get tongue-tied
Everything I say to you
Comes out wrong and it never comes out right

So I'll say why don't you and I get together and take on
the world and be together forever
Heads we will and tails we'll try again
So I say why don't you and I hold each other and fly to
the moon and straight on to heaven
'Cause without you they're never going to let me in

So I'll say why don't you and I get together and take on
the world and be together forever
Heads we will and tails we'll try again
So I say why don't you and I hold each other and fly to
the moon and straight on to heaven
Cause without you they're never going to let me in
