In my house there's been a mercy killing
The man I used to be is crucified
And the death of this man is the final way of revealing
In the spiritual way to live, I had to die

For if I let this dead man linger in me
I might grow a little idle in my ways
I'm going down to the celebration river
Gonna take this dead man down to a water grave

I'm going down to the river, my Lord
I'm gonna be buried alive
And I'm gonna show my heavenly Father
The man I used to be has finally died

I think of where I'm going
In terms of where I've been
Makes me glad I've been born again
Makes me glad (born)

I'm going down to the river, my Lord
I'm gonna be buried alive
I'm gonna show my heavenly Father
The man I used to be has finally died

I'm going down to the river, my Lord
And I'm gonna be buried alive
And I wanna show my heavenly Father
The man I used to be has finally died
