Seventeen
a beauty queen
She made a ride that caused a scene in the town

Her long blonde hair
hanging down around her knees
All the cats who dig striptease
praying for a little breeze

Her long blonde hair
falling down across her arms
hiding all the lady's charms

Lady Godiva

She found fame
and made her name
A Hollywood director came into town

And said to her (hey!),
How'd you like to be a star?
You're a girl who could go far
'specially dressed the way you are

She smiled at him
and gave her pretty head a shake
That was Lady G's mistake

Oh, Lady Godiva

He directs Certificate X
and people now are craning their necks
to see her

'Cause she's a star
One that everybody knows
finished with her striptease shows
Now she can't afford her clothes

Her long blonde hair
lying on a barber's floor

Doesn't need it long any more

Lady Godiva
